

MEASURE WHAT YOU SEE WITH THE NEW LEICA TS16

To celebrate the release of the **NEW TS16** Purchase any latest release TS16 P R500 model total station with AutoHeight and Dynamic Lock and for a limited time only you will receive the following factory extras;

- Complimentary upgrade to Imaging capability. Revolutionise the way you see data.
- Complimentary Upgrade to R1000 reflectorless range.
- Complimentary 12 months infinity software subscription to turn your Leica imagery into reality.

ASSIST AND VALIDATE AIMING

With the power of digital imaging, you will be able to see what the Total Station sees and with a simple tap on the screen readjust the crosshair to your chosen point. In addition to easy navigation, the magnification feature allows you to easily validate your target point.

DOCUMENT YOUR MEASURING

Easily document your work by capturing all the measurements you performed as a digital image. Not only will this aid you in providing precise evidence but also proper quality control.

MEASURE IN YOUR IMAGES

Taking additional measurements can be time-consuming and costly, but with the ability to measure in an image after the fact is a game changer. The imaging system's ability to produce stereoscopic imagery will assure that you can perform additional measurements back in the office.

* This "TS16 I for P" promotion is not valid in conjunction with any other discounted offer.
 * Limited time offer only. For details consult your nearest CR Kennedy office.
