Leica DS2000 / IDS Opera Duo GPR
From \$22,900 incl GST*

Leica DS2000

First class ground penetrating radar for utility location and mapping with highest resolution, the largest dynamic range for the best penetration depth; and dual-head sensor integrating ultra-wide band antennas (200MHz and 600MHz). Highly robust and offroad capable.

Features and Benefits:

- Dual-frequency antenna to detect deep and shallow targets simultaneously
- Easily collect and understand data with the DS2000's simple and intuitive uNext software and data storage
- Instant generation of reports in the field
- Effortlessly manoeuvre around the most challenging sites with the DS2000's advanced ergonomics
